

North Florida Springs with Smoky Mountain Divers

Gainesville – Williston area in north central Florida

November 21-23, 2025

Open Water Diver Students and Certified Divers

COME WITH US TO THE BEAUTIFUL FRESHWATER SPRINGS IN NORTH FLORIDA!

Blue Grotto has a large basin that has depths to 40 feet and more with three large training platforms. There is an air bell with viewing windows and breathable air pumped from the surface. We will see Blue Grotto's favorite resident, "Virgil the Turtle". Virgil is very curious and will come to see you and say "Hello!"

Devils Den is an underground spring inside a cavern. "On cold winter mornings you can see steam, like smoke, rising from the chimney-like opening. The early settlers of this area saw this steam rising from the cave's opening and believed that the devil must reside in this cave underground - thus the name Devil's Den." The swimming area is a doughnut shape around the debris cone and can be up to 54 feet deep.

LESSON PLAN FOR THE WEEKEND: Open Water Diver Students will make three certification dives during the day on Saturday at Blue Grotto. We will make our fourth certification dive Sunday morning at Devil's Den. Everyone will be done by noon and free to start back home.

Certified divers will follow our location for the two days but can plan their own dives in accordance with their certifications and experience.

FACILITIES AND ACCOMMODATIONS: Each person going on the trip will be responsible for making their own room and travel arrangements. There are many hotels to choose from in the Gainesville / Williston area. Meals are available at several nearby restaurants. Approximately nine hours driving time is required to get to Gainesville from the Tri-Cities.

DIVE SITES: The dive sites consist of freshwater springs, and limited ledge or cavern diving for certified divers. The water is crystal clear and a cool 68-72 degrees. A warm jacket could be necessary, and a hooded sweatshirt is nice after the dives during cooler months. A full wetsuit will be required. (For SMD Open Water Diver students a wetsuit is included in the price of the course)

WAIVERS: As part of going on the trip you will need to fill out the dive shop trip registration sheet, and waivers for the commercial springs. Once you register for the trip we will email you the waivers for the springs. Once filled out, email them back to us at Info@Smokymountaindivers.com

GREAT BOUYANCY MAKES A GREAT DIVE: One thing that helps make a great dive is clear water. Blue Grotto has an excellent video about not stirring up the silt in the spring. Check out their YouTube channel "Dive Blue Grotto" and this video about "Buoyancy Control" <https://www.youtube.com/watch?v=K5HOpAH4n7U>

BRING YOUR GEAR: Open Water Diver Students have rental gear included as part of the tuition for their class. ALL STUDENTS ARE RESPONSIBLE TO BRING THEIR OWN GEAR TO FLORIDA.

SCHEDULE: Departure will be at the convenience of your carpool. Make your way to Florida Friday. The group will meet at the Blue Grotto Dive Resort parking lot 8:15AM Saturday November 22nd, 2025. The GPS address is;

Blue Grotto Dive Resort, 3852 NE 172 Ct, Williston, FL 32696 phone# 352.528.5770
